About Family Support Services

Millhill offers these programs to support your family:

Family Assessment and Support (FAS) is a hands-on, therapeutic system that is focused on helping families meet their goals and objectives through a strengths-based Family Development Plan and ongoing in-home and out-of-home support.

Therapeutic Intervention Parenting Program (TIPP) is a 12-week parenting and life-skills sharing experience that covers topics such as child development, positive parenting techniques, proper nutrition and budgeting.

Therapeutic Intervention (TI) focuses on fostering age-appropriate play and social skills while developing self-control, frustration tolerance and resilience.

Medical Home Link (MMHL) is staffed by a neurodevelopmental pediatrician and registered nurse who provide developmental screenings and asthma education when needed for children ages two to six.

Community Collaboration <i>Trenton Area Stakeholders Days of Caring</i>		

Intensive In-Home (IIH) is provided to parents who require intensive support in the home. Participants will learn through hands-on coaching how to budget and plan, organize the home and provide a safe environment for their families.

Out-Of-Home Placement Support (OHPS) supports foster and relative caregivers by coordinating medical/dental appointments and providing Saturday respite. Caregivers gain valuable time during respite and children are given a sanctuary of consistent positive programming during difficult transitions. Transportation is provided.

Program Eligibility

To be eligible for these programs, children must reside in Mercer County and be referred by the NJ Department of Children and Families. Age restrictions may apply.

"I have learned skills to help me cope with the everyday stress of being a parent."

Millhill is about family

Millhill helps families improve their quality of life through services that educate, empower and transform to be successful in school, at work, at home and in the community. Our approach is both individualized and collaborative taking into account the dynamics of the whole family.
